

inv white

Un marmo estratto in Asia Minore, composto quasi unicamente di Dolomia che si è trasformata col tempo e col calore in una pietra cristallina e leggermente trasparente. È caratterizzato da uno sfondo bianco attraversato da un reticolato largo di venature grigie che a volte hanno piccole sedimentazioni quasi ambrate.

A marble extracted in Asia Minor and made up almost exclusively of dolomite rock which transformed over time and with the heat into a crystalline, slightly transparent stone. It has a white background widely laced with grey veins which sometimes present small almost amber sedimentations.
